

**April is here!** The first three months of the year have felt like a fast-paced marathon—and just like that, we’ve arrived in spring. We’re excited to pause, reflect, and catch up with you.

### Annual Board Meeting

It is truly an honor to serve this ministry alongside such dedicated and inspiring individuals. Each January is devoted to thoughtfully preparing for our annual board meeting. This year, we invested even more time ensuring everything was well-organized – getting all our “ducks in a row,” as Dad likes to say. While the process can be detailed and demanding, the outcome is always deeply rewarding.

We are also thrilled to share an important leadership update. Anita has stepped into the role of CEO and President of Prayer Stations, Inc., as her dad transitions into a lighter schedule, now serving as our Visionary Founder. His wisdom and guidance continue to be an invaluable blessing.

### Wedding Celebration!

As many of you know, our daughter Karissa Setran married Zachary Grenier on Saturday, February 28, 2026! It was a breathtakingly beautiful day, filled with love, joy, and heartfelt celebration at White Trail Flower Farm here in Jupiter Farms, Florida. Karissa has dreamed of this moment her entire life, carefully curating every detail, even down to her well-loved Pinterest board.

Anita and Karissa poured countless hours into creating a stunning DIY event. Though it required tremendous effort, the result was nothing short of magical, an unforgettable day that reflected love, creativity, and the beauty of family.

### A Season of Change...

Just over a week before the wedding, we received unexpected news, our son Caleb, his wife Diana, and our two precious grandchildren, Ayla (3) and Austin (22 months), had decided to move back to Long Island, New York. Shortly after the wedding, plans quickly came together, and by April 4th, they were on their way, launching us into another full and emotional season.

It has been an incredible blessing to have them living in our home for the past two and a half years, filling our days with laughter, energy, and love. As you can imagine, this transition has been deeply felt. We miss the pitter-patter of little feet, their sweet voices and warm cuddles, the joyful chaos of toys everywhere, and yes, even the late-night enthusiasm of our gamer son.

They have now settled in Port Jefferson, where they’ve found good jobs, a wonderful church community, and a charming apartment. We are continually praying that God will guide each of their steps and that we will be reunited often for many joyful visits ahead.

## Prayer Station Ministry

It continually encourages our hearts to hear powerful testimonies of what God is doing through Prayer Stations around the world. Just this past week, we sent a 10-pack of our "May I Pray for You?" lanyards to an excited pastor in England, who is eager to launch this ministry in an especially needy community in the UK. We can't wait to hear the stories of impact that will follow.

As spring arrives and communities come back to life after a long winter, many are preparing for outreach opportunities. One exciting example is YWAM Philadelphia, who are planning a large-scale ministry event featuring over 100 Prayer Stations throughout the city as part of the celebration of our nation's 250th birthday.

For our local Easter outreach this year, we gave out 100 miniature figurines of Jesus in little, plastic Easter eggs to each of the children that came by the Prayer Station. It was our honor to pray for these precious families as we celebrate and share what Easter is really all about - His precious gift of salvation!

We are excited to announce our new relationship with the National Day of Prayer organization. We connected with one of the State Coordinators and they are looking at our ministry to see if it fits as an aspect of what they are offering to the different Prayer locations for the National Day of Prayer. They have already offered for us to get Prayer Stations to their locations and connect with them. Very exciting!

We would absolutely love to see Prayer Stations established in your community as well. Our nation is in great need of hope, prayer, and renewal, and you can be a catalyst for that change. It would be our joy to equip and support you in making a meaningful difference right where you are. Contact us and we will get you going - with a little savings too!

## Ron's Health Update

Ron continues to persevere with determination and strength, working diligently each day to regain mobility and stability. Although this year's insurance challenges have limited access to formal therapy, he has remained committed to exercising and pursuing his own physical rehabilitation.

One especially beautiful answer to prayer was seeing Ron walk Karissa down the aisle with the assistance of a walker, and then stand to share a heartfelt father-daughter dance. It was a profoundly moving moment, and there truly wasn't a dry eye in the room.

We are always aware that we could never do any of this without the prayers, support and generosity of our incredible family and friends.

Thank you for the love and well wishes for Karissa and Zach's wedding, for your continued support of everything we do in full-time ministry, and for your prayers as we learn to navigate this new season without our littlest treasures and big kids. Your kindness means more to us than we can fully express. We pray God's abundant blessings over you, your families, and all that you do.
